

25 Years of the International Conference on Intuitionistic Fuzzy Sets!

3×25 Years of Prof. Janusz Kacprzyk!

In 2022, we commemorate the 75th Anniversary of our colleague, mentor and friend, Prof. Janusz Kacprzyk, one of the three co-Editors-in-Chair of the International Journal *Notes on Intuitionistic Fuzzy Sets* and co-General Chair of the International Conference on Intuitionistic Fuzzy Sets.

This year, the 25th Jubilee Edition of the International Conference on Intuitionistic Fuzzy Sets (9–10 September 2022, Sofia, Bulgaria) is organized with special attention to this double celebration for us and the global research community developing the area of intuitionistic fuzzy sets!
