*Dedicated to the 70th Anniversary of the Founder of the Intuitionistic Fuzzy Sets,
Acad. Krassimir Atanassov*

First Call for Papers

△ Aim and Scope

The aim of the annual International Conference on Intuitionistic Fuzzy Sets (ICIFS) is to gather specialists interested in intuitionistic fuzziness, decision making under uncertainty, and other related topics, and to give them floor for discussions on both the theoretical and practical aspects of intuitionistic fuzzy sets. Since 2013, ICIFS has been an EUSFLAT endorsed event.
